

# Bi-Monthly Meeting

Dear Member

The first **rma** Bi-Monthly Meeting for 2006 sets the standard of quality events on offer to our members this year ...

The February meeting brings together an expert panel of senior financial executives and consumer advocates with a particular interest in responsible lending.

In a one-hour mediated discussion, our authoritative guest speakers will examine the topics of:

- Profitability & social responsibility
- Special consideration for regional areas
- Vulnerable sections of the community
- Looking after over-committed customers
- Financial Literacy

Following this presentation, cocktails will offer members the opportunity to meet the panellists one-on-one and network with other Risk Management professionals.

We look forward to seeing you at this prestigious event.

***This is a complimentary event for Members only.***

*New members are welcome to join online for \$40 (conditions apply) at [www.rmaaustralia.org](http://www.rmaaustralia.org)*

### **About the RMA**

The Risk Management Association (**rma**) is the premier Association for Risk Management professionals. Well established in the US, the Australian Chapters of the **rma** were established in Sydney and Melbourne in mid 2004. Institutional membership includes; the major Australian Banks, professional service firms, regulatory bodies, and there are currently over 500 individual members.

**rma** Australia is committed to providing risk education and training to enhance the understanding and use of sound risk management principles within credit, market and operational risk management disciplines. The **rma**'s vision is to support members through enhancement of their risk management skills, knowledge and standards.

### **Objectives**

- To provide a forum for members to enhance and share their knowledge of risk management principles and practices.
- To foster continuous professional growth and development of our members.
- To improve and support risk management education and training.
- To keep our members aware of emerging developments in global risk management practices.
- To promote ethical standards and professional conduct in the Australian finance services industry.
