About the RMA

The Risk Management Association (*rma*) is the premier association for risk management professionals and is dedicated to advancing the use of sound risk principles in an enterprise approach to risk management. As such, the *rma* exists to benefit professionals and institutions engaged in credit risk, operational risk, market risk and compliance risk practices. The *rma* represents a wide cross section of Australia's financial markets including; banking and finance, professional advisory services, business information providers, government regulatory and supervisory bodies.

Objectives

- To provide a forum for members to enhance and share their knowledge of risk management principles and practices.
- To foster continuous professional growth and development of our members.
- To improve and support risk management education and training.
- To keep our members aware of emerging developments in global risk management practices.
- To promote ethical standards and professional conduct in the Australian financial services industry.
