RMA Rules and Regulations

☐ We confirm that we will comply with the rules and regulations for Institutional Membership which are available on our website. Further we agree that we will not use the RMA Australia brand in our promotional material.

Important Note:

While one of the important benefits of participating in RMA member events is to network with other industry participants, an important condition of participation is that members do not use member-networking events as an avenue to market their organisation or as a means to identify candidates to recruit to their organisation.

Privacy Policy

RMA only uses member information in relation to approved RMA events which are advertised on our website. To read about our privacy policy please go the link under the 'About RMA' section of our website.

Risk Forums

The RMA operates seven forums which bring together specialists in key risk areas. These forums meet quarterly basis on an "in person" basis.

The current forums are:

- Operational Risk Forum (ORF),
- Technology Risk Forum (TRF),
- Compliance Risk Forum (CRF),
- Financial Crime forum (FCF),
- Data Risk Management (DRMF),
- Business Credit Risk Forum (BCRF)
- Working Group on Models and Analytics (WG on MAAR)
